TELEPHONE INTERVIEW SUMMARY
AND RESPONSE TO EXAMINER'S AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

TELEPHONE INTERVIEW SUMMARY

Applicant thanks the Examiner for the courtesy extended to their undersigned representative in a telephone interview on January 17, 2006.

During the telephone interview, the terminal disclaimer filed by Applicant on October 13, 2004 was discussed. Applicant's undersigned representative indicated, with the Examiner acknowledging, that U.S. Patent No. 6,660,772 was mistakenly referenced in the June 22, 2004 Office Action and such mistaken reference was perpetuated in the terminal disclaimer filed on October 13, 2004. The Examiner indicated a Non-Final Office Action concerning the erroneous reference and subsequent terminal disclaimer was being prepared, which would indicate that the Applicant would need to file a petition to withdraw the October 13, 2004 terminal disclaimer based upon such erroneous reference to U.S. Patent No. 6,660,772 in the Office Action mailed July 16, 2004.

Applicant respectfully notes that no exhibit was shown or demonstration conducted during the telephone interview of January 17, 2006, and no claims or prior art were discussed. The telephone interview of January 17, 2006, between the undersigned and Examiner Marina Lamm was limited to a discussion of the terminal disclaimer filed on October 13, 2004 in response to the Office Action mailed July 16, 2004.

Applicant thanks the Examiner for her attention in this matter.

Respectfully submitted,
